Camille Joe	
Referencia: 78461	Juvenil
Fecha de baliza: 05/09/2008	 A photograph showing a man in a red and white life vest, likely a researcher or conservationist, holding the head of a sea turtle in the water. The turtle's head is dark and appears to be attached to a white cylindrical object. The man is looking down at the turtle. The background is the blue water of the sea. The name 'Antonell' is visible in the bottom right corner of the image.
